MARKET TEST OF EXPERIMENTAL PRODUCT –
METRO POST

Docket No. MT2013-1

**MOTION OF THE UNITED STATES POSTAL SERVICE
FOR LATE ACCEPTANCE OF DATA COLLECTION REPORT**
(December 27, 2016)

The United States Postal Service hereby moves for late acceptance of the data collection report for Quarter 1 of FY 2016 for the Metro Post market test. In preparing for the FY 2016 Annual Compliance Report, the Postal Service determined that it neglected to file a data collection report for those Metro Post packages shipped in Quarter 1 of FY 2016, prior to the expiration of the market test during that quarter, on December 16, 2015. The Postal Service is today filing that data collection report, and will further report on this market test as part of its upcoming Annual Compliance Report filing. The Postal Service regrets the delay in filing this data collection report.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
